

WASTEKO

(Caribbean) Limited

ENVIRONMENTAL POLICY STATEMENT

At **WASTEKO (Caribbean) Limited**, we are unwaveringly committed to protecting the environment and promoting sustainable practices throughout our operations. Recognizing the responsibility we carry as a transportation company for hazardous waste flows and other polluting materials, we establish the following Environmental Policy Statement:

Fundamental Principles:

1. Commitment to Sustainability

We are committed to operating sustainably, minimizing the environmental impact of our activities and contributing to the well-being of the communities we serve.

2. Regulatory Compliance

We will comply with all environmental laws, regulations and standards applicable to our operations. We seek to go beyond legal requirements to establish higher standards of environmental responsibility.

3. Responsible Waste Management

We will implement safe and efficient practices for the management of hazardous waste streams and other contaminating materials. We will prioritize reduce, reuse and recycle whenever possible.

4. Clean Technology and Energy Efficiency

We will adopt clean technologies and energy efficiency in our operations to minimize emissions and reduce our impact on natural resources.

5. Training and Awareness

We will provide continuous training to our employees to increase environmental awareness and encourage responsible decision-making in all areas of the company.

6. Pollution Prevention

We will implement proactive measures to prevent environmental contamination at all stages of our operations, from collection to final disposal.

7. Collaboration with Interest Groups

We will collaborate openly and transparently with our customers, suppliers, regulatory authorities and other stakeholders to promote sustainable environmental practices.

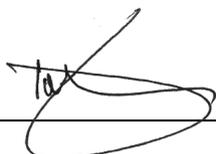

8. Continuous Improvement

We will continually seek opportunities to improve our practices and processes with the goal of reducing our environmental impact and improving our sustainability performance.

Responsibility of Senior Management:

The senior management of **WASTEKO (Caribbean) Limited**, fully supports this Environmental Policy Statement and is committed to providing the necessary resources for its effective implementation. We will periodically review our environmental policy to ensure that it remains relevant and effective in achieving our sustainability objectives.

This Environmental Policy Statement reflects our firm commitment to preserving the environment and sets the framework for our actions towards a more sustainable future.
